OUR COMPANY

ALPHA CHEMICAL PRODUCTS S.A. a leading Greek chemical company, manufactures and distributes high performance marine chemicals to the shipping industry worldwide. We are committed to supply high quality chemicals, meeting the needs of our shipping and chartering customers. Our goal is to help our customers keep their vessels in top condition from engine to deck with minimum cost and labour. Ready to cater to their every unique need and always conforming to the most stringent criteria.

Alpha Chemical Products S.A, was founded in 2004 and ever since holds a prominent position in the Greek Chemical sector. Our company has had a successful path, dominating in the fuel additives market in Greece, cooperating with the most prestigious retail oil companies and refineries in the country.

TOTAL ENERGIES AFS FRANCE has been our partner in this successful journey by honoring us with the exclusive distribution in Greece, Cyprus.

**Your Marine Chemicals Global Partner.
At your service in all world ports 24/7.**

OUR MISSION

We help our clients in the maritime sector remain successful by providing complete cleaning and maintenance solutions, ensuring time and cost efficiency.

OUR VISION

We aim to continue our growth and give value to our clients in a responsible way respecting the environment and the local communities we work with, while upholding and improving standards in the marine industry.

OUR PRODUCTS RANGE

Our marine experts will help you choose the ideal products to solve any cleaning issue with customized instructions. Our product range can handle all types of cleaning challenges for cargo holds, cargo tanks, boilers, heat exchangers and pipes. We also offer treatment for stainless steel tanks and water systems, as well as a wide range of fuel additives and biochemicals.

Haven't found what you are looking for?
We offer tailor-made solutions to suit your exact needs.

Full range of chemicals, equipment & test kits for all your needs!

- TANK CLEANING
- CARGO HOLD CLEANING
- FUEL ADDITIVES
- MAINTENANCE CHEMICALS
- WATER TREATMENT
- TEST KITS
- COATINGS
- CLEANING EQUIPMENT

Exclusive Distributor:
TOTAL EAFS (FR) TOP TIER FUEL ADDITIVES
ZOK (UK) CERTIFIED GAS TURBINE CLEANERS

Review our Complete product range.

Our Commitment To QUALITY & ENVIRONMENT

ENVIRONMENTAL PHILOSOPHY

We are proud to implement a green philosophy for our company and products. We consider protection of the environment as part of our efforts to promote sustainable development in the sector. This is being achieved in several ways:

- Eco-friendly tank cleaners based on IMO regulations.
- Environmentally-friendly low toxicity products.
- Low-toxicity solvents.
- Ongoing efforts for waste recycling.
- Development of special fuel additives targeting fuel economy and lower emissions.
- Energy efficient offices, facilities & transport vehicles.

QUALITY ASSURANCE

All of our procedures comply with ISO 9001:2015 and 14001:2015. We perform constant and thorough inspections in every step, from production to on-time delivery, thus assuring the quality of products, equipment and services we provide.

ALPHA IN DETAIL

ALPHA CHEMICAL PRODUCTS SA, a leading Greek chemical company, manufactures and distributes a wide range of products including marine chemicals, fuel additives and industrial cleaners. Also we offer specialized cleaning services using exclusive methods and products. Our company is located at the industrial zone of Aspropyrgos - Athens, Greece, established in 2004. We are authorized warehouse keepers and tax warehouse for excise goods.

Our modern production facilities and our great stock capacity along with the highly equipped staff is an assurance for the full support and prompt service of our customers with quality and dependability. Our company has a fully equipped lab, able to support both the R&D and the Quality Control departments. An excellent team of scientists, marine engineers and technicians is always at the customers disposal to offer full technical support for our

products, our services and to solve any chemistry-related problems. The main founding members of Alpha Chemical Products S.A. is Thanos Mylonas, Managing Director, who holds a PhD in Chemistry, former researcher at National Center for Scientific Research "Demokritos" and Anna Papatheohari, President, graduate from Drexel University PA-USA, holding a degree in Chemical Engineering and an MBA.

OTHER SECTORS

FUEL ADDITIVES

ALPHA CHEMICAL PRODUCTS S.A. manufactures and distributes a wide range of performance fuel additives for gasoline, diesel, home heating oil and combustion improvers for heavy fuel oil. Our company represents one of the leading companies in the world in fuel additives, TOTAL ENERGIES AFS FR.

INDUSTRIAL CLEANERS

We provide specialized solutions and high quality products for the needs of each industry. The product categories include maintenance chemicals, special cleaners, water treatment chemicals and combustion improvers for boilers, furnaces and internal combustion engines.

CHEMICAL CLEANING SERVICES

Specialized workshops of ALPHA CHEMICAL PRODUCTS S.A. provide chemical cleaning for refinery furnaces (radiation & convection zones). Also chemical cleaning for boilers, cooling towers, water networks/systems, tanks, pipeline cleaning and other equipment cleaning.

- Online & Offline furnace cleaning
- Water system cleaning
- Tanks and fuel networks cleaning

OUR PARTNERS

Our company represents and distributes for some of the largest and pioneering companies in Europe such as TOTAL Energies Additives and Fuels Solutions (FR) in fuel additives, ZOK (UK) in certified gas turbine cleaners, TEKAT (UK) in specialized industrial chemicals.

PRODUCT LIST

ALPHA MARINE CHEMICAL PRODUCTS DESCRIPTION

TANK CLEANING

TANK CLEANERS

ALPHA BILGE & TANK CLEANER 	Concentrated heavy-duty tank & bilge cleaner
POWER TANKLEEN L 	Low-toxicity emulsifying tank cleaner and degreaser
ALPHASAFE  	Low-toxicity tank cleaner and degreaser with emulsifying properties
ATBC 2020 L 	Heavy-duty cleaner and degreaser for stubborn deposits of heavy oil, dried tars and bitumen
HOLDCLEAN 	Heavy-duty water-based tank cleaner and degreaser
ALKAKLEEN 	Heavy-duty alkaline tank cleaner for drying, semi-drying and non-drying natural oils and fats
NEUTRAL POWER TC  	Neutral water-based tank cleaner for hydrocarbon freeing and strong degreasing
TANKLEEN IGS 	Heavy-duty alkaline, inert gas soot and multipurpose cleaner
TANKLEEN BRIGHT 	Concentrated tank cleaner for white residues or stains on epoxy-coatings after fatty acid cargoes
FRESH CLEAN  	Concentrated tank cleaning detergent, safely buffered for zinc-silicate coated tank surfaces

CARGO HOLD CLEANERS

HOLDCLEAN XF 	High-foam heavy duty cleaner for cargo holds on bulk carriers
ALPHA FOAM BOOST	Foam boosting additive for all alkaline cleaners
ALPHA COKE REMOVER	Remover of pet coke accumulations on cargo holds
LIME-CLEAN	Powerful remover of limestone and dry lime stains from cargo holds
ALPHA CEMENT REMOVER	Effective cleaner of cement residues, cement clinkers and dry cement stains
ALPHA BAUXITE REMOVER	Heavy duty cleaner for bauxite & iron ore residues and stains

COATINGS

ALPHA BARRIER-COAT 1000	Protective barrier film on cargo hold surfaces
ALPHA BARRIER-COAT 2000	Protective barrier film on cargo hold surfaces, especially for highly corrosive cargoes
ALPHA BARRIER-COAT 3000	Highly concentrated protective barrier – formula designed for dilution

CLEANING & MAINTENANCE

DEGREASERS & GENERAL CLEANERS

OIL & GREASE CLEANER	Solvent-based degreaser for oiled surfaces, bilges and machinery parts
DEGREASER SUPER	Heavy-duty solvent-based emulsifier cleaner
ENVIRO-FORCE 	Low-toxicity cleaner for oil, grease, fat and light carbon deposits
ALPHA KLEEN-BREAK 	Self-splitting emulsifying degreaser for all metal surfaces, tank and deck
FILTER KLEEN	Non-corrosive cleaning agent for the removal of carbonized oil and sludge from oil filters
ULTRA POWER	General purpose water-based cleaning and degreasing agent
POWER-KLEEN 	Concentrated alkaline cleaner for cleaning deck areas, floor plates, engine room and tanks
C.T. ULTRASONIC CLEANER	Multipurpose cleaner/degreaser, for ultrasonic treatment
CITROUS POWER PLUS  	Micro-emulsion cleaner/degreaser for engine room and deck general cleaning
CITROUS POWER 	Low toxicity cleaner for oil cleaning and metal degreasing
NATURAL SOAP L 	Multi-purpose liquid soap detergent
ALPHA PAINT REMOVER	Paint and varnish remover
ALPHA PENETROIL	Quick action penetrating oil, for rusty parts

SEPARATOR CLEANERS

DISC-CLEAN L	Specially formulated cleaner for deposits on lube and fuel oil separator discs
DISC-CLEAN F	Alkaline cleaner for fuel separators

OIL SPILL DISPERSANTS

CLEAR SEA O.S.D. 	Type I, solvent-based, low toxicity oil spill dispersant
DISPERSANT OILER-60 	3 rd generation, Type II and Type III, oil spill dispersant

ALPHA MARINE CHEMICAL PRODUCTS DESCRIPTION

CARBON REMOVERS

AIR COOLER CLEANER XR	Air cooler, turbo charger and engine parts cleaner
ACC PLUS 	Low-toxicity cleaner for air coolers, turbo chargers and engine parts
ALPHA CARBON REMOVER	Powerful solvent cleaner for carbon deposits, varnish, gummy matter and other stubborn deposits
PERMET 	Low-toxicity, non-corrosive carbon remover

DESCALANTS

DESCALER PLUS	Heavy-duty, liquid acid, scale remover
DESCALER P	Special powder blend for scale removal
RUST CLEAN	Rust stain remover and metal brightener
RUST CLEAN & PROTECT	Highly concentrated rust and metal tarnish remover and steel passivator
ECO DESCALER	Concentrated acid-based chelating scale remover
METAL SHINE	Metal cleaner & brightener

STAINLESS STEEL TREATMENT

PICKLING FLUID SS	Concentrated liquid for pickling austenitic stainless steel
PASSIVATION FLUID SS	Concentrated liquid for the passivation of austenitic stainless steel surfaces

CARBON STEEL TREATMENT

PICKLING FLUID CS	Scale removing liquid for deposits and inclusions from carbon steel surfaces
PASSIVATION FLUID	Passivating liquid for pickled carbon steel surfaces

ELECTRO CLEANERS

ELECTRO MED	Slow drying, heavy-duty cleaner/degreaser for electrical parts
ELECTRO QUICK	Fast drying cleaner/degreaser for electric parts and equipment
ELECTRO FAST	Superfast drying, non-flammable heavy duty cleaner/degreaser for electrical parts
ECO-SOLV 	Low toxicity, highly efficient cleaner/degreaser for electrical parts

BIOCHEMICALS-SANITATION PRODUCTS

ALPHA BIOACT 700FN 	Concentrated powder bio-cleaner for sewage and drains
ALPHA BIOACT L 	Highly specialized bio-cleaner for piping and pulpers
ALPHA BIOACT BTC 	Biodegradable toilet bio-cleaner
ENVIRO-DESCALER 	Descaler for toilet bowls, toilet systems, drains and pipes

FLOCCULANTS & DEFOAMERS

ALPHA FLOCCULANT	Treatment for the separation of oil residues of bilge water
AFO W.S. 	Water dispersible liquid antifoam for sewage and waste water systems

HAND CLEANERS

SPECIAL HAND CLEANER 	Hand cleaner strong on oil and grease
--	---------------------------------------

WATER TREATMENT

STANDARD BOILER WATER TREATMENT

BOILER TREAT	Boiler and feedwater complete treatment
ALPHAFOS	Phosphate boiler water treatment for scale and corrosion prevention
ALKAL-TREAT	Concentrated alkaline liquid for scale and corrosion prevention
ALPHA COAGULANT	Boiler sludge conditioner for oil sludge deposits prevention
ALPHA CAT SULPHITE LIQ	Fast-acting oxygen scavenger for corrosion inhibition
ALPHA CONDENSATE	Liquid corrosion inhibitor for condensate return lines

PERFORMANCE BOILER WATER TREATMENT

ALPHA AT-BWT	Boiler water treatment for simplicity and flexibility, with phosphates & synthetic polymers
ALPHA OX-BWT	DEHA corrosion inhibitor for feedwater, boilers, steam and condensate lines

ALPHA MARINE CHEMICAL PRODUCTS DESCRIPTION

COOLING WATER TREATMENT

ENGI TREAT	Corrosion and scale liquid inhibitor for diesel engine cooling systems
ANTIFREEZE CONC.	Corrosion and anti-freeze protection

ANTI FOULING TREATMENT (SEA WATER TREATMENT)

SAFE 3000	Antifouling biocide for seawater cooling systems
SFL 5000	Corrosion and erosion inhibitor in seawater-cooled heat exchangers

EVAPORATOR TREATMENT

EVAP-TREAT	Liquid evaporator treatment against scale deposition
------------	--

POTABLE WATER TREATMENT

CHLOR-ACTIVE	Chlorine-based disinfection and cleaning liquid
ALPHA PWS 	Scale and corrosion inhibitor for potable and other once-through water systems
FW & DW KLEEN 	Remover of deposits and odors from fresh and drinking water systems
CHLORINE TABLETS	Tablets for the growth control of bacteria & algae

BALLAST TREATMENT

ALPHA MUD REMOVER	Prevents and disperses mud and silt formations in ballast water, preventing dense accumulations in tanks
SODIUM THIOSULPHATE POWDER	Sodium thiosulphate (powder)
SODIUM METABISULPHITE POWDER	Sodium metabisulphite (powder)
SODIUM THIOSULPHATE LIQUID 30%	Sodium thiosulphate (liquid)

FUEL ADDITIVES

FUEL HANDLING & STORAGE

FT 500	Heavy fuel oil stabilizer and sludge inhibitor, reducing compatibility problems with the new VLSFO
--------	--

LUBRICITY IMPROVER L	Lubricity and stability enhancer for diesel fuels & MGO
LUBRICITY IMPROVER	Concentrated lubricity and stability improver for diesel fuels & MGO
HFA 495S	Rapid water-in-oil emulsion breaker. Effective in all fuel grades for water removal in settling tanks and fuel centrifuges
FL 550	Cold flow improver (CFPP & PP improver)
FL 550 C.	Concentrated cold flow improver (CFPP & PP improver)

COMBUSTION IMPROVERS & ASH MODIFIERS

FT 500 PLUS	Stabilizer, asphaltene dispersant and combustion improver for HFO
FC 600D M	Combustion improver and soot reducer for marine diesel
FC 800F	Combustion improver and soot reducer for fuel oil
FC 850M	Combustion improver, soot reducer and deposit modifier for fuel oil
SOOT CLEANER L	Effective remover of soot and firescale deposits from boilers and diesel engine exhaust systems
ALPHA SOOT REMOVER	Dry powder for the removal of soot and deposits from boilers and diesel engine exhaust systems

FUEL STABILIZERS

BIO 1000	Fuel stabilizer against bacteria and fungi contaminating fuel storage tanks and systems
BIO 6000.53	Concentrated fuel stabilizer against bacteria and fungi contaminating fuel storage tanks and systems

TEST KITS

COOLING WATER TEST KITS

ALPHAPAK 1 TEST KIT	Compact test kit, for engine cooling water quality (Nitrite, Chloride, pH)
---------------------	--

BOILER WATER TEST KITS

ALPHAPAK 2 TEST KIT	Low pressure boiler water test kit (P-Alkalinity, Chloride, pH)
ALPHAPAK 3 TEST KIT	Medium and high-pressure boiler water test kit (Phosphate, P-Alkalinity, Chloride, pH)
ALPHAPAK 4 TEST KIT	Test kit for boiler water (hydrazine)
ALPHAPAK 5 TEST KIT	Kit for testing dissolved oxygen levels when using Sulphite-based oxygen scavenger (ALPHA Cat Sulphite Liq)

ALPHA MARINE CHEMICAL PRODUCTS DESCRIPTION

ALPHA DEHA TEST KIT	Kit for testing dissolved oxygen levels when using DEHA-based oxygen scavenger (ALPHA OX-BWT)
---------------------	---

OTHER

WALL WASH TEST KIT	Test kit for checking tank surfaces (PPT, chloride test, hydrocarbon test for alcohols)
POTABLE WATER TEST KIT	Handheld kit for accurate and affordable drinking water quality analysis (chemical & microbial)
FUEL OIL & LUBE OIL TEST KIT	Test kit for fuel and lube oil
CHLORINE TEST KIT	Handheld kit for accurate and affordable chlorine measurement
LEGIONELLA TEST KIT	Test kit for on-site rapid detection of Legionella pneumophila sg1
HARDNESS TEST KIT	Test kit for determining hardness in all water sources onboard

CONSUMABLES

PH PAPERS (6.5 - 10)	pH papers (6.5 - 10) for ALPHAPAK test kits - 1 pack of 100 test strips each
PH PAPERS (0 - 14)	pH papers (0 - 14) for general use -1 pack of 100 test strips each
CHLORIDE TEST TABLETS	Reagent tablets for water test kits - 1 bottle of 250 tablets each
P-ALKALINITY TABLETS	P-Alkalinity tablets for boiler water test kits - 1 bottle of 250 tablets each
NITRITE NO.1 TABLETS	Reagent tablets for ALPHAPAK 1 water test kit - 1 bottle of 100 tablets each
NITRITE NO.2 TABLETS	Reagent tablets for ALPHAPAK 1 water test kit - 1 bottle of 250 tablets each

EQUIPMENT

CARGO HOLD APPLICATION SET	Cargo hold application set for chemical application & cleaning procedures in 42ft lance
ALPHAJET 300, 500, 800, 1000	High pressure cleaning unit at 300 bar, 500bar,800bar,1000bar
HYDROJET HOLD CLEANING GUN	Hold cleaning gun for pre-washing cargo residues and rinsing off chemicals
ELECTRIC SUBMERSIBLE PUMP	Electric submersible pump for dewatering
WATER HOTBOX 300, 500	High Pressure Heating Unit for connection to cold water machines at 300bar, 500bar
PERSONAL PROTECTIVE EQUIPMENT (PPE)	Chemical protective suits, masks, gloves, boots, etc. for personal protection

IMO approved product

Low - toxicity product
