

CLEAR SEA O.S.D.

3rd GENERATION OIL SPILL DISPERSANT
(TYPE II AND TYPE III)

DESCRIPTION

CLEAR SEA O.S.D. is a third-generation water-based dispersant which contains glycols and special dispersants. **CLEAR SEA O.S.D.** is friendly to the user and the marine environment and is a fully biodegradable product.

APPLICATION & USE

Use **CLEAR SEA O.S.D.** in dilution (1 part of product per 10 parts water) for the dispersion of oil spills both on the open seas and near the shores. It is applied by spraying. It is also suitable for cleaning shores from oil spills.

Finally **CLEAR SEA O.S.D.** can also be used as a general purpose cleaner / degreaser on docks etc.

PACKAGING

CLEAR SEA O.S.D. is available in 25 ltr pails and 208 ltr drums.
